

Sanitary Protocol 2021

Your Safety is our priority.

Regular disinfection & strict sanitary protocols
are in place at Adrien's Dream
to keep you safe at any time.

At Adrien's Dream, our priority is your comfort and your safety.

The new normal after COVID-19 is here. We are fully engaged to provide a safe environment with enhanced health protection through fully sanitized areas with a promise to a unique and memorable experience always.

Our sanitary measures include and is not limited to the precautions as listed in this presentation.

Prior the Guest journey

- ❑ Deep cleaning & sanitization of the boat including hand rails and toilet facilities
- ❑ Sanitization of the snorkeling equipment
- ❑ Preparation of individual guest bags which includes personalized cutleries, glasses etc

During guest journey

- ☐ Meet & Greet of the guests
- ☐ Temperature check and hand sanitization

If first temperature check exceeds 37 degrees, which might be due to exposure to the sun, the client will then be placed in isolation in an open-shaded space, after which a second temperature check will be taken after 10 minutes

- ☐ After temperature check and hand sanitization, directly embark on boat
- ☐ Crew on board properly masked and gloved
- ☐ Hand-over of individual bags to each guest (containing pen, tissue paper, cutleries)
- ☐ Briefing by crew on: itinerary, security, sanitary protocols on boat
- ☐ Lunch service on boat as per set protocol

If lunch is served on Benitiers Island:

- ☐ No more than 12 persons will be seated on same table respecting social distancing as per local authorities
- ☐ Sanitizing of table before lunch
- ☐ Lunch service is plated avoiding prone touch points
- ☐ Hand sanitizing protocol after lunch on the island and before embarking on the boat
